

## Meet the Challenges of Today's Classroom

*"The Equity course changed the way I teach and the way I interpret my students' reactions to me. The online format gave me time to ponder and then communicate effectively on each thought-provoking article."*

-Gloria Hauser, Teacher

### Proven and Approved

- Courses reviewed and approved for use by K-12 school districts and leading universities, such as Chapman University and the University of Pacific.
- Applicable for credentialing renewal.
- Approved by for use in some BTSA induction programs. (Pre-approval required).

### Designed by Expert Teachers

### Why Learn Online?

#### More Flexibility!

- E-Learners control learning time and location.
- Courses are accessible 24/7, year-round.
- Convenient alternative to scheduled college or district classes.

#### More Collaboration !

- Technology makes collaboration easier— even for novice computer users
- More opportunities for peer-to-peer and instructor-to-student interaction.

### Features of Online Courses

- 24/7 access to online content
- Dedicated instructor support/feedback
- Classroom application emphasis
- Project-based focus, assignment, quizzes
- Threaded discussion
- Eliminates geographical barriers
- Easy to use with minimum tech skills

*"I was surprised at how easy it was! I'm not a big computer user, but it turned out to be very easy to discuss topics with other teachers online."*

-Brunette Stitt, Teacher
